

Ghost Recon Advanced Warfighter 2-XBOX 360

		When you select this class of soldier			
		Rifleman Class	Grenadier Class	Auto Rifleman Class	Marksman Class
Look, nothing beats the right tool for the right job in the hands of the proper class of soldier. Playing around with non-class weapons sure seems like it would have limited and short-sighted results to me.		Medium to close quarter engagement style.	Good for enemies behind cover or groups of enemies.	Holding a position for extended period or closing off an area of the map.	Long distance engagement.
When you bring this type of weapon....	Rifleman weapons	Increased accuracy when upright and firing on move. Gets more accuracy, faster reloads, more magazines with these weapons.	Caution: No penalty for using these weapons, but no bonus like a Rifleman would get either.	Gets a bonus for using weapons on full auto fire.	Increased accuracy firing Rifleman weapons on single shot or prone. Warning: there is an accuracy and stabilization penalty for full auto fire.
	Grenadier weapons	Increased accuracy when upright and firing on move. More accurate than a Grenadier would be? Not sure I can answer that yet.	Better accuracy with launchibles, more ammo, and faster reload times with these weapons.	Gets a bonus for using weapons on full auto fire.	Increased accuracy firing Grenadier weapons on single shot or prone. Warning: there is an accuracy and stabilization penalty for full auto fire.
	Auto Rifleman weapons	Increased accuracy when upright and firing on move. More accurate than an Auto Rifleman would be? Not sure I can answer that yet.	Warning: Accuracy, reload, stabilization, and other penalties for using these weapons.	Better accuracy crouched and prone as well as more ammo with these weapons. Gets a bonus for using weapons on full auto fire.	Increased accuracy firing Auto Rifleman weapons on single shot or prone. Warning: there is an accuracy and stabilization penalty for full auto fire.
	Marksman weapons	Increased accuracy when upright and firing on move. More accurate than a Marksman would be? Not sure I can answer that yet.	Warning: Accuracy, reload, stabilization, and other penalties for using these weapons.	Warning: Accuracy, reload, stabilization, and other penalties for using these weapons.	Better accuracy and faster stabilization for these weapons including the single shot bonus.
